## AN ACT RELATIVE TO COURT PROCEEDINGS.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

SECTION 1. Section 70A of chapter 111 of the General Laws, as appearing in the 2006 Official Edition, is hereby amended by inserting after the first sentence the following sentence:-

The expense of any attorney's fees and costs incurred in enforcing the liability of the tortfeasor and in obtaining such judgment, compromise or settlement shall be divided between the health maintenance organization, or hospital, medical or dental service corporation and the injured person in proportion to the amounts received by them from any such judgment, settlement or compromise. If the settlement, judgment or funds available to satisfy the judgment are less than the amount of plaintiff's total damages, the court may reduce after a hearing the amount of said insurer's lien in the action, after evaluation of the plaintiff's total cognizable damages at law.

SECTION 2. Section 13B of chapter 231 of the General Laws, as so appearing is hereby amended by adding the following sentence:-

In civil actions in the superior court, plaintiffs, through their counsel, may ask at trial for a specific monetary amount for damages.

SECTION 3. Said chapter 231 is hereby further amended by inserting after section 72 the following section:-

Section 72A. In any action in which an injured person enters into a settlement with, or obtains a judgment upon trial from a third party and benefits for his injuries have been paid under chapter 152, and the injured person and the insurer paying said benefits do not agree to the amount each is entitled to recover out of such settlement or judgment, there shall be a just and reasonable apportionment thereof in accordance with this section. If the settlement, judgment or funds available to satisfy the judgment are

21 less than the amount of plaintiff's total damages, the court or other authority authorized to approve  
22 settlements under section 15 of chapter 152 may reduce after a hearing the amount of said insurer's lien in  
23 the action, after evaluation of the plaintiff's total cognizable damages at law. Except in the case of a final  
24 judgment, where the plaintiff is dissatisfied with the apportionment by the court, he may withdraw his  
25 consent to the settlement.
